

Lucy holds wounded soldiers head up as he trembles.

LUCY  
What happened?

WOUNDED SOLDIER  
The light- the light-

LUCY  
What light?

WOUNDED SOLDIER  
It was her.

The Wounded Soldier takes shallow breaths.

WOUNDED SOLDIER (CONT'D)  
shouldn't have- I shouldn't-

LUCY  
Hey! Hey! Who? Who was she?

WOUNDED SOLDIER  
I don't know. She killed Captain  
Dagon.

LUCY  
She what?!

WOUNDED SOLDIER  
She-!  
(a beat)  
that light-  
(a beat)  
I can't see,  
(breaks down)  
I can't see!

Lucy stands.
